Need help? Find a volunteer or crew member - they are all wearing green wristbands.

NO PHONES during workshops and rituals and minimum usage at all other times. This is a time to escape the mundane world - please allow yourself and others to fully take part in the experience.

Please respect the space and the boundaries we have set by staying out of private areas - we are guests here. Furthermore any behavior which is racist, sexist, homophobic or generally assinine will not be tolerated and we reserve the right to revoke access to the event without refund.

Do not touch any of the art which is exhibited throughout the space. If you have questions about purchasing art, please ask at the OCCULTURE merch table.

We're striving for a zero-waste event so please be conscious of this. Please bring your water bottles (drinking water will be available), use the butt cans in the smoking area and don't litter.

No smoking inside the space - there is a large outdoor area and as this is a day-and-night event, we ask that you smoke outside at all times.

THE ORGANIZERS

One night some years ago, a group of mysterious adepts arrived in Berlin. Their appearance was heralded by a strange sign—red snow falling gently from the east. Each came independently, navigating to our plane from different timelines, called to travel at once to this dimension.

As they arrived one by one at the noodle restaurant housing the Berlin Kuman Thong, the kaleidoscopic consortium realized their meeting was no accident.

Drawn together by fate, bonded by strength in the arcane arts, they resolved to establish a new order dedicated to the pursuit of occult knowledge in all its forms. Thus the Fellowship of the White Mountain was born.

Coming from a multiverse where Magick is a fundamental part of everyday life, the Fellowship sees further than the grid of matter. This augmented sight has shown them the golden path to enact the singularity of an active transdimensional wormhole. Occulture stands at the crossroad of this initiation.
